KaBeeLo Lodge. The Lohn Family's **KaBeeLo Lodge** is considered one of the premier full-service "fly-out" fishing resorts in Canada. Located deep in the wilderness of Northwestern Ontario, KaBeeLo Lodge consists of the Main Base and 13 remote Outpost Camps. The Main Base is where your trip begins and you can drive directly to it. Here the facilities are modern in every way, with seven fully carpeted cabins each with full baths, electricity and automatic heat. The Remote Fly-Out, Daily Fly-Out and Confederation Lake destination packages provide guests with overnight accommodations in these cabins plus delicious home-cooked meals in the Lodge's clean, spacious dining hall. Since each outpost trip begins at the Main Base, it is here that each guest receives the quality and personal service that only an owner-managed and operated resort can provide. To this end, KaBeeLo Lodge continues to provide the best possible wilderness experience and fishing at an affordable price.

A Personal Note. THANKS to all of you that made a visit to KaBeelo Lodge during the 2016 season. We sincerely appreciated your visits, your kind words and the opportunities to meet "old" guests as well as new guests. Based upon your reactions (and our work) you saw that many changes were made including staff personnel, more 4-stroke motors, new boats, leveling of the main lodge building and, most significantly, addition of a new floatplane. The aircraft is a turbo beaver (DHC-2T) with call letters G-CEWP and is the #2 turbo beaver manufactured by DeHavilland. During the 2016 operating season the aircraft preformed beyond our expectations; it carried more passengers, more cargo, offered more elbow room and improved efficiencies for larger groups. In short, each of you need to visit KaBeelo Lodge during the 2017 and experience a ride in our newest floatplane. And, in terms of the 2017 season it will mark 45 years of continuous service and operation of KaBeelo Lodge by the Lohn family. We have been blessed by many things during this period of time but mostly because of YOU – OUR GUESTS! Without your continued support, guidance, care and concern we would be just another "lodge in the wilderness", however, YOU have made us special in terms of service, accommodations, hospitality and loyalty. We have worked hard to earn your support and trust, we promise to do so well into the 2017 season and beyond. So come join us in 2017. Whether a new guest or a repeat guest – all are welcome! And, enjoy a ride in a turbo beaver.

Sincerely

Erik, Allysson, Ann, Harald & the staff of KaBeelo Lodge & KaBeelo Airways

We encourage you to support your area Green Mill Restaurants.

Outdoor news writer Dennis Anderson states it best: "...the outpost camp has of late become a destination of choice for those who want a unique wilderness experience and excellent fishing at an affordable price." This statement is still true. At KaBeelo Lodge, we complement these experiences with well-qualified and highly-trained pilots, well-maintained aircraft and periodic fly-overs (weather permitting). Couple this with pristine lakes, fresh air, clean water and natural beauty and you have an almost perfect solution to the stresses of your everyday life. And the bonus is that you will catch fish!

We welcome party sizes anywhere from 2 people to “the sky is the limit.” Whether it be a husband and wife team, father and son, or an entire boy scout troupe. All are welcome!

Hunting Packages:

Moose Hunt	\$5,250/person	8 nights/7 days	Outpost Accommodations
Black Bear Hunt	\$2,305/person	6 nights/5 days	Main Base Accommodations
	\$2,865/person	10 nights/9 days	Outpost Accommodations
Game Bird Hunt	\$775/person	5 days/4 nights	Main Base Accommodations

Visit www.kabeelo.com for details of each hunt, or contact us for additional information or to make a reservation.

What to Bring. All you will need for your fly-out is your clothing, fishing gear & tackle, life jacket, sleeping bag, and one cooler for two persons, minnow bucket and/or leech locker, an Ontario fishing license and Outdoor card.

KaBeelo Lodge does NOT SELL outdoor cards, fishing or hunting licenses. These MUST be purchased prior to arrival at the Lodge. We recommend purchasing online at www.on.wildlifelicense.com.

Your Outpost Camp. All of our 13 outpost cabins are located between 15 and 40 miles from our Main Base on Confederation Lake and are licensed and inspected by the Ontario Government on a regular basis. While each cabin is unique, they all have separate bedrooms, running water and a shower. They are all outfitted with bunks and mattresses, wood burning stoves, propane cooking stove and refrigerator, solar lights, dishes, pots, pans and all cooking and eating utensils (remember — most plans include food!). The outposts are also equipped with boats, motors, mixed fuel, boat seats (with backs), cushions, nets, paddles — just about everything you will need. An outdoor privy is located about 75 feet from the cabin. Guests are responsible for cleaning the cabins and boats before departure.

Outpost Trip. Arrive at the main base on day 1 of your trip. In most cases you will have the choice to enjoy your first night at your outpost destination, or stay with us at the main base in a fully furnished cabin. Before you fly to your outpost, we will give you a map of your lake marked with the most recent hot spots. You will also be able to talk with the departing guests and find out where they caught fish.
