Your Outpost Camp. Each of our 13 outpost cabins, located 15 to 40 miles from the Main Base on Confederation Lake, offers a remote and well-equipped retreat for guests. Regularly licensed and inspected by the Ontario Government, each cabin has its own unique charm while featuring separate bedrooms, running water, and a shower. Furnished with bunk beds and mattresses, wood-burning stoves, propane cooking stoves, refrigerators, solar lights, and a full range of dishes, pots, pans, and utensils, the cabins provide all the essentials for a comfortable stay (plans include food!).

For fishing and boating needs, each outpost is fully stocked with boats, motors, mixed fuel, boat seats with backs, cushions, nets, and paddles. A convenient outdoor privy is situated about 75 feet from each cabin. Guests are asked to clean the cabins and boats before departure, ensuring a fresh start for the next visitor.

Outpost Trip. On the first day of your trip, you'll arrive at our Main Base, where you have the option to spend your first night in a fully furnished cabin with us or head straight to your outpost destination. Before your flight to the outpost, we'll provide you with a detailed map of your lake, marked with the latest hot spots to help you get the most out of your fishing experience. You'll also have the chance to chat with departing guests to hear firsthand about their catches and gain insights on the best spots to reel in fish.

A Personal Note. Hooray! We are moving in the right direction! After the 2024 season and reflecting on past challenges (ugh!), we are breathing a sigh of relief and feeling more determined. The best seasons are yet to come, and, and we're proud to host the finest guests crossing the border into Canada!

To keep the recovery momentum going, we've re-visited and re-evaluated our three core fishing packages and are excited to announce that **2024 PRICES WILL BE "FROZEN" FOR THE 2025 SEASON!** Additionally, we've **reduced the cost of the extra day outpost fishing!!**

We believe these actions underscore the principles by which KaBeeLo Lodge and KaBeeLo Airways have always operated; YOU, our customer, IS OUR NUMBER ONE PRIORITY; quality matters – A LOT; and, price and quality are interrelated. These guiding principles have been at the heart of KaBeeLo Lodge and Airways for over 50 years (yes, KaBeeLo Lodge has been in operation for more than half a century!) and we are as committed as ever to providing you with the best value and experience when discovering NW Ontario.

THANK YOU for supporting KaBeeLo!

BAKER CREW says it best: "10 guys from Wisconsin, 1750 Fish, 132 walleye @ 20" or above, 42" Northern, used minnows and leeches, jigging in 12'-30'. We LOVE this lake – have been here multiple times."

What to Bring. All you will need for your fly-out is your clothing, fishing gear & tackle, life jacket, sleeping bag, and one cooler for two persons, minnow bucket and/or leech locker, an Ontario fishing license and Outdoor card.

KaBeeLo Lodge does NOT SELL outdoor cards, fishing or hunting licenses. These MUST be purchased prior to arrival at the Lodge. We recommend purchasing online at www.huntandfishontario.com.

We welcome party sizes anywhere from 2 people to “the sky is the limit.”
